Date : October 14, 2019

The School of Government and the North Carolina Judicial College are pleased to announce our second annual CLE event. Reviews from last year's event were extremely positive so we're doing it again! It's an event for everyone, with outstanding teachers addressing topics selected to be of interest to anyone practicing law.

The event will offer six hours of credit, including ethics and technology. Worried about the logistics of coming to campus in Chapel Hill? Don't be! Lunch and parking are provided.

The flyer below provides additional details. For even more information or to register, click [here](#).
